

## **Provides Law Enforcement with Tools Needed to Combat Terrorism**

Washington, D.C. – U.S. Congressman Mike Pence supported a four-year extension of the USA PATRIOT Improvement and Reauthorization Act and the Intelligence Reform and Terrorism Prevention Act. Had no action been taken, these provisions were to expire at midnight tonight, May 26, 2011. The extension passed the U.S. House of Representatives by 250-153.
